

SAFETY RECALL

EMERSON CORSAIR CEILING FANS

Hazard: The Hanger Bracket may spread apart due to heat from the motor and out-of-balance operation, allowing the fan to fall from the ceiling, posing a risk of injury to bystanders.

Models: Emerson Corsair Ceiling Fans:

CF3400AP24 (Antique Pewter); CF3400ORH24 (Oil Rubbed Bronze with Highlights);
CF3400AP36 (Antique Pewter); CF3400ORH36 (Oil Rubbed Bronze with Highlights);
CF3400AP48 (Antique Pewter); CF3400ORH48 (Oil Rubbed Bronze with Highlights);

Date: Sold From January 1, 2009 - June 15, 2012

Action: Turn off the fan and stop using immediately to prevent possible spreading of the Hanger Bracket.

Solution: Contact Emerson Air Comfort Products to arrange free installation of the repair kit.
